

MOTLATSI SEEMA

Cybersecurity Analyst | Ethical Hacker | Data Analyst (Excel & SQL)

motlatsisandileseema06@gmail.com | 073 885 7168 | South Africa

PROFESSIONAL PROFILE

Certified cybersecurity analyst and ethical hacker with a second specialisation in database collection and analysis using Excel and SQL. I protect systems and data from malicious activity, and turn structured data into clear, usable insight. Currently seeking internships and entry-level opportunities in cybersecurity, security operations and data analysis.

CORE SKILLS

Technical: Cybersecurity & data protection, ethical hacking, threat detection, incident response, network security, database collection, Microsoft Excel (advanced), SQL, data cleaning, reporting and dashboards.

Soft skills: Analytical thinking, problem solving, attention to detail, clear communication, teamwork, integrity and discretion, time management, continuous learning.

CERTIFICATIONS

Certified Ethical Hacker	Alpvest Institute for Future Tech
Cybersecurity Analyst (Full Certification)	Alpvest Institute for Future Tech
Microsoft Excel Certification	Alpvest Institute for Future Tech
IT in Business	HP LIFE Online Course

PROJECTS

AI Malicious Activity Detector	Security AI
AI system that monitors server behaviour and traffic, learns normal patterns and flags malicious or suspicious activity in real time, reducing manual log review for analysts.	
Live News & History Platform	Full-stack web
A fully built website where users check and follow current news, with topic archives designed so the upcoming generation can study the history being made now.	
Stock Trading AI Tracker	AI / Market data
An AI assistant that tracks the stock market, follows price movement and surfaces trends and trading signals from live and historical market data.	

EDUCATION

Alpvest Institute for Future Tech	Cybersecurity & Data Training
HP LIFE - Online Course	IT in Business
Cacamezela High School	Completed 2024
